SPEAKING PARTS

SPEAKING PARTS is a leadership program for young women focussing on career development and advocacy in the legal profession. The program involves a leadership and career Forum and web films.

Over one hundred Year 12 girls attended the inaugural Speaking Parts Forum, held in the County Court of Victoria in October 2008. The County Court of Victoria and The Liberty Group supported the Forum. The Forum was filmed with support of the Victorian Law Foundation and various parts of the film are now on the Future Leaders web site.

The Speaking Parts Forum and web films have been organised by the Trust for Young Australians with the support of the Speaking Parts Team and Future Leaders.
